# We Need Your Help! Call for Photos

**WE NEED YOUR HELP:** We are updating our photo library and need your help! We are looking for photos of all things coastal!

**THE NATURE CONSERVANCY'S Coastal Team in California is small, and we are trying to do a lot to protect our coasts. Please help by donating use of your coastal photos to help us better communicate our messages.**

**STEP 1:** Check out the list below for the types of photos we need.

**STEP 2:** Dig through your photo libraries and see if you have any that match our needs.

**STEP 3:** If you have relevant photos, great! If not and you want to take some, also great!

**STEP 4:** Fill out our photo donation form [here](#) - we will always give proper attribution.

**STEP 5:** Email photographs, photo donation form, and any other questions to Kelly Leo: [kleo@tnc.org](mailto:kleo@tnc.org)

## We need photographs of:

### Habitats

- Seagrass
- rocky intertidal
- beach
- dunes
- cliffs
- wetlands
- lagoons
